1. Purpose

This micro-grant supports Artist's project *Embroidery for Freedom*: handmade textile / embroidery works exploring freedom, independence, and Bitcoin-aligned values, including creation of a special embroidered artwork dedicated to Bitcoin for the Arts. Artist retains full creative control of the Work.

2. Grant amount and payment

BFTA awards **Four Hundred U.S. Dollars (USD \$400.00)**, payable in Bitcoin at the BTC/USD rate reasonably used by BFTA on the payment date. Payment will be sent after (a) this Agreement is fully signed, (b) Artist provides a completed IRS tax form appropriate to Artist's status (typically Form **W-8BEN** for a non-U.S. individual; Form W-9 if Artist is a U.S. person), and (c) Artist confirms the Bitcoin payout address in writing. Artist acknowledges Bitcoin price volatility and transaction finality. BFTA is not responsible for wallet loss, user error, incorrect addresses, or exchange-rate movement after payment is sent.

3. Use of funds

Funds may be used for reasonable project-related expenses consistent with the application, centered on creating the embroidered artwork(s), including materials and the workspace tools needed to complete the work at a high level of craft (for example, embroidery table / supportive chair), documentation, and shipping of the dedicated piece to BFTA. Funds may not be used for illegal activity or purposes unrelated to the Project.

4. Deliverable and attribution

Artist will create and send to BFTA one embroidered artwork dedicated to Bitcoin for the Arts, reflecting values of independence, transparency, and support for artists. Shipping details will be confirmed by email. Where Artist publicly shares Project updates related to this grant, Artist will credit BFTA where reasonable: "Supported by Bitcoin for the Arts."

5. Reporting

Within **60 days** of receiving the grant, and again at Project completion (or within 6 months, whichever is earlier), Artist will provide a short written update on fund use and progress, including photos/video of process and the finished dedicated artwork when available, and confirmation when the piece has been sent to BFTA. Artist agrees to notify BFTA if the Project becomes impossible to complete as described.

6. Publicity

BFTA may publicly feature Artist's name, Project title, a short description, and media Artist provides or approves, including on BFTA's website, newsletter, social channels, and grant storytelling. Artist may request reasonable corrections to factual errors.

7. Relationship of the parties

Artist is an independent grantee, not an employee, partner, or agent of BFTA. This grant does not create an employment relationship. Artist is solely responsible for any taxes arising from receipt of the grant under applicable law.

8. Termination / unused funds

If the Project cannot proceed, Artist will notify BFTA promptly. BFTA may request return of unused grant funds on a best-effort basis. Either party may terminate this Agreement for material breach not cured within 14 days after written notice.

9. Entire agreement

This Agreement is the entire agreement between the parties concerning this micro-grant and may be signed electronically (including via DocuSign). Electronic signatures are effective. Governing law: State of New York, without regard to conflict-of-law rules.

This document is an organizational grant instrument. It is not legal, tax, or investment advice. Artist should consult Artist's own advisors as needed.
