BITCOIN FOR THE Arts

PROPOSAL
BITCOINDAY NAPLES
JANUARY 16, 2027
$5,000

One day in Naples. Ainsley Costello live, and one work on the table.

Prepared for John Drew, BitcoinDay. This is the smaller of two ways to do the same day. Bitcoin For The Arts is the presenter. If it is accepted, there is one agreement with Bitcoin For The Arts, Inc.

Half of this offer is the performance. The other half keeps CLCT on the show in a smaller role: Kyle Knight curates, one artist is paid to take part, and one work is shipped. There is no multi-piece install. Kyle will not be in Naples. Dion's travel and lodging are not in this budget.

WHAT BITCOINDAY GETS

- A live performance by Ainsley Costello.
- One work, chosen by CLCT, with the artist paid to be included.
- Dion Wilson as the host. He can set a single piece on a table. This offer does not build a display or ship a group of works.

The $10,000 proposal is the version with several artists, a shipped show, and a built table. The two offers are alternatives. They are not added together.

BUDGET

LINE	WHAT IT PAYS FOR	AMOUNT
Ainsley Costello	Artist grant for the live performance, paid to her. Same amount as the $10,000 proposal. It covers the performance and her own costs to be there.	$2,500
CLCT curation	Kyle Knight selects the artist and the work, makes the invitation, and prepares the one-work presentation. He does not attend. Paid to CLCT.	$1,500
One visual artist	Paid by Bitcoin For The Arts to the one artist CLCT selects. Dion approves the artist before the offer is made.	$700
Shipping, one work	A parcel to Naples and back for a single work. A piece that needs a crate belongs on the $10,000 proposal, not this one.	$300
Total	**Payable to Bitcoin For The Arts, Inc.**	**$5,000**

NOT IN THIS BUDGET

A multi-piece shipment. A built display. Dion Wilson's travel and lodging. Kyle Knight's travel and lodging. Bitcoin For The Arts contributes the contracts, the payments, and the day-of host on this smaller offer, so those costs are not deducted from Ainsley or from CLCT. Any sale of the work sits outside this $5,000, between the artist and the collector, through CLCT.
