BITCOIN FOR THE Arts

PROPOSAL
BITCOINDAY NAPLES
JANUARY 16, 2027
$5,000

One day in Naples. Ainsley Costello live, and one work on the table.

Prepared for John Drew, BitcoinDay. This is the smaller of two ways to do the same day. Bitcoin For The Arts is the presenter. If it is accepted, there is one agreement with Bitcoin For The Arts, Inc.

Half of this offer is the performance. CLCT is paid to ship one work, schedule that artist, list the auction, and market the event. There is no multi-piece shipment. Kyle Knight advises Bitcoin For The Arts. He is not paid from this proposal, and he will not be in Naples. Dion's travel and lodging are not in this budget. What remains stays with Bitcoin For The Arts.

WHAT BITCOINDAY GETS

- A live performance by Ainsley Costello.
- One work on the table, with the auction listed on clctibles.com.
- Dion Wilson as the host. This offer does not ship a group of works.

The $10,000 proposal is the version with several works in the CLCT shipment. The two offers are alternatives. They are not added together.

BUDGET

LINE	WHAT IT PAYS FOR	AMOUNT
Ainsley Costello	Artist grant for the live performance, paid to her. Same amount as the $10,000 proposal. It covers the performance and her own costs to be there.	$2,500
CLCT	One fee to CLCT. It includes shipping one work, scheduling that artist, listing the auction, and marketing. A crate of works belongs on the $10,000 proposal. It is not a payment to Kyle.	$1,500
Bitcoin For The Arts	Retained by Bitcoin For The Arts for the organization and the other costs of the day, including the table. It does not pay anyone's travel or lodging.	$1,000
Total	**Payable to Bitcoin For The Arts, Inc.**	**$5,000**

NOT IN THIS BUDGET

A multi-piece shipment. Dion Wilson's travel and lodging. Any payment to Kyle Knight. If the work sells at auction, that sale is between the artist and the collector, through CLCT, and it is outside this $5,000.
