USD amounts are approximate. The receipts show a total of 875.94 PLN. Conversion used for this report: 1 USD = 3.8881 PLN. The planned shipping and materials costs are not yet paid.

Project update

I bought two embroidery stands and one office chair. They help me work better and more comfortably. I will use the money left to send my finished artwork to the USA and to buy embroidery threads and materials.

Receipts, payment records, and equipment photos are available with this report.

Thank you for supporting my art!
Aksana Zasinets (5Ksana)
